

## **AGTTGP-NA SUPPORTS KIDNEY PATIENT**

AGTTGP-NA collaborated with IDBGA-GH to offer support to Seidu Issahaku, a patient in Ghana undergoing dialysis due to kidney problem. AGTTGP-NA donated an amount of \$5,000 towards the support fund program. This support is part of our mission to support and conduct charitable health and education activities in underdeveloped communities.

On May 26, 2017, IDBGA-GH began making quarterly disbursements of 3,000 Ghana Cedis as financial support to the patient to help him meet his needs. Six to seven quarterly disbursements are projected.
